BRIEF ABSTRACT OF LETTER

Regrets that the question of abolition of octroi duty on Horse Gram and Chaff may be reconsidered —

Submitted NOTES AND ORDERS

The income from the levy of octroi duty on Horse Gram and Chaff is Rs 15800 and Rs 63981 per year respectively. The Pattan's proposal to abolish the above levy on them was negatived on the ground that the responsibilities of the Corporation are increasing and therefore its sources of income should not be reduced (Vide Memo No CH 39-54-20 placed below)

2) The Corporation has once again urging to reconsider the above octroi as it

SIR,

C.M 39-54-24

Subject - Abolition of Octroi Duty on Horse-gram and Chaff.

In reply to your letter No.L.3118/C.M.39-54-20 dated 24th June 1954, I write to state that the reference in question was placed before the Corporation at their meeting held on 9th July 1954 They have resolved that their previous resolution dated 31st March 1954 proposing to abolish the levy and collect of octroi on horse-gram and chaff be re-iterated The Corporation considered the loss of revenue in this regard, but at the same time also realised that horse-gram and chaff are being consumed chiefly by the Jutka owners, who are very poor and further horse-gram is used as a food article by the poorest people It is only to give relief to the absolutely poor people the Corporation considered it necessary to remove the levy of Octroi on these two items In view of the fact that this gives relief to the poor, I request that the Government may be pleased to accord sanction to the said resolution

Forwarded with compliments,
